### President's Message

By Erik Rosengren

Hi Gang,

Thanks to Matt and Nick and the photographic God, all of the EID makers that I spoke with were very happy with the projection of their images. I am pleased with the increased quality of the images this year. Hopefully many of you have put some of the ideas and concepts to work that were learned at our program nights as well as tips learned from some of our giving members.

Jim Mahoney will host the Presidents shoot Saturday, April 15th, at Heritage Village. Let us have a good turnout.

Good shooting — Erik

### Member makes cover of national publication

Longtime SCC and Photographic Society of America (PSA) member Nick Muskovac, APSA/EPASA, is prominently featured in the current issue (March 2006) of *PSA Journal* magazine. His work is displayed on the cover and in a four-page inside spread.

The article, which contains a number of Nick's creative images, covers his workflow, his techniques and equipment, his personal thoughts on photography, and interesting biographical information.

Nick's write-up is part of the *Journal's* continuing "Distinctive Image" series, which takes an in-depth look at some of the most influential and creative photographers within PSA and the photographic community at large.

Congratulations to Nick on his good work!

For information on joining PSA, go the organization's Web site at [www.psa-photo.org](http://www.psa-photo.org).

A reminder to pick up the score cards for your entries following the evening's evaluations and critiques.
