President's Message

By Erik Rosengren

Fellow members,

I was pleased at the good turnout for the June President's shoot at the Zoo. Although it was hot, I understand many of the participants captured good images.

Only a couple of months until we have two meetings per month again. Our V.P. of Programs, Jim Goins, has some interesting programs lined up for us starting Sept. 5th. Now is the time to finish building our image inventory to satisfy the balance of the club year.

My wife Pam has completed all of the tests associated with her last hospitalization and they were negative. There are other issues to overcome; however, they are not as serious. We appreciate your prayers, e-mails and cards. It is so nice to be surrounded by so many caring friends.

Good shooting — Erik

Club logo contest

CLUB LOGO COMPETITION

The SCC board has decided to update the club logo. The old logo will not be completely retired, and can still be used when a B&W logo is preferred. Be aware that if you enter more than one logo, you may reduce your chances of winning because votes may be split between your entries. Contest rules and the old logo follow. Please read the rules carefully. Contact Matt Muskovac for questions
