President's Message

By Erik Rosengren

As Pam and I traverse the Eastern seaboard again, we are constantly on the fringe of new experiences. We are so fortunate to be involved in the art of photography. Imagine be able to capture a snippet in time, an original that no one can ever duplicate. How exciting!

How would you members like to be involved in a project that would allow your images to be displayed four times per year and have the opportunity to even sell some of your work? Stay tuned...

With the completion of the recent logo contest (thanks to all who entered), we can now move forward and secure a quote for our logo shirts. More on that subject next month. Good shooting — Erik
