### President's Message

By Erik Rosengren

Dear Members:

The Board had a very productive meeting Sept. 25. We are considering various ideas in an attempt to streamline future meetings so that the club can spend extra time working on areas of member interests. Remember, the more input and involvement members provide, the stronger our focus on SCC will be.

The 2007 election of officers is fast approaching. It is time for you to consider how your talents and time can benefit your club, SCC, in 2007 and beyond. Whether you are nominating yourself or another member for an officer or committee position, please prepare your selections soon as the vote will take place at the Oct. 17th meeting at the Safety Harbor Library.

The next President's Shoot will be Sat., Oct. 7th, at the Largo Botanical Gardens, located at 12211 Walsingham Rd. The entrance is across from the Walsingham park entrance. Drive until you see the Art Museum on your left. Bear right, drive to the north end and park. We will meet at 8 a.m.

The essential equipment needed to photograph "Dreamscape" is either film or digital camera, tripod, manual release, and macro lens, if you have them. Nick Muskovac will put on a short program at the Oct. 7th meeting to explain how "Dreamscape" works.

Good shooting — Erik
