President's Message

By Jim Goins

First, let me thank the members for the opportunity to serve as President for 2007. Since becoming a member of this club, I have learned a great amount about photography in general, and what is required to present award winning images.

A special thanks to Erik Rosengren for his dedication to the club and its programs these past several years.

As with the evolution of cameras, there is a change in the Suncoast Camera Club.

I would like to use the same process as your new president: take all of the good things that have been done, and build on them.

I will appreciate any suggestions that you may have about improvements or programs.

This club has many great people as well as photographers. Stay focused!

For Sale by Frank Kaiser: 8-COLOR CANON i9900 printer. You've seen my color and monochrome prints all year. Each came from this professional quality printer. The printer works like new. No scratches or dents.

The i9900 Photo Printer is a high-end large format machine whose remarkable output can rival that of a professional processing lab. It's capable of producing edge-to-edge true borderless prints, from 4" x 6" up to 13" x 19", in under three minutes.

ASKING \$225. COMPARE WITH eBAY! Buyer must also purchase 20 brand-new Canon ink cartridges (bought at \$13 each) for \$5 each. TOTAL COST \$325. Call Frank at 727.726.0066. If no answer (he may be out of town), please e-mail f.kaiser@mac.com.
