### President's Message

By Jim Goins

We are seeing some outstanding images in all categories presented by our members. I would encourage each of you to participate in the upcoming 6th Annual Suncoast Virtual competition (see club Web page for details) and others offered by the Florida Camera Club Council (F3C) and the Photographic Society of America (PSA), both of which have links on our Web page.

I would also recommend that members entering the print and slide categories take advantage of the early sign-up procedure. This procedure allows for you to e-mail your image names and then by return e-mail the respective image number. This eliminates the need to sign up at the back table prior to the meeting. All that is needed is your name; the category (i.e., color print large-general) and you classification. For the time being, you can e-mail your entries to [goinsrep@tampabay.rr.com](mailto:goinsrep@tampabay.rr.com). In any case, your entries must be at the back table by 6:45 p.m.

There is no change in the way your images are to be submitted for E.I.. See our Web page for the correct method of transmitting images on the internet.

Roy Colbert has some outstanding programs lined up, so please attend the program nights at the Largo Library.
