President's Message

By Jim Goins

As our membership grows, we need to look for greater participation from our members. We need to look at adding a backup for the Historian position as well as volunteers at the evaluation night meetings.

A good start would be in helping Dawn Nichols with the presentation of prints, helping to learn the recording of points with Glen Desthers, and if you're into computers, Matt Muskovac would appreciate a backup.

Our Web site continues to be a good source for those looking for ways to improve their photography. There are new links being added to resources on sensor cleaning, how to improve your nature shots and others. The club Web site also lists current activity dates.

Don't forget to plan for our Tampa Skyline night shoot, Saturday, August 25th. Details will be posted on the Web site. Please let us know if you plan to participate so that we can have necessary team leaders assigned. This will be a great social as well as photography experience.

Ft. DeSoto shoot gallery entries

Here's a reminder to submit your recent Fort DeSoto "Painting With Light" President's Shoot photos for the club Web site gallery. Just follow the normal club EI submission guidelines (1024x768 pixels, JPG, sRGB, less than 300K file size, etc.). E-mail them to Roy Colbert (colbertr@tampabay.rr.com) instead of Nick.

Mid-year Yearbook changes

Club president Jim Goins has published mid-year changes and additions to the SCC Yearbook. An e-mail to all members was sent out in July with an attachment of the changes. Some hard copies were also on hand at the July meeting. If you didn't receive one, let a board member know, and one will be supplied to you.
