President's Message

By Jim Goins

I would like to thank Erik Rosengren for his planning of the President's Shoot of the Tampa Skyline and University of Tampa on August 25th.

We had a great turnout of 25 people which included members, guests and a new member who signed up that evening. The dinner prior to the shoot allowed members to exchange stories about their recent photo events and get updated on new equipment being introduced.

The shoot was progressing well with the incoming storm providing a dramatic background for the Tampa skyline. Unfortunately, the storm interrupted our timing to really get a lot of night shots. Those participating will be submitting their images to Roy Colbert who has a section set aside on our Web site.

My request for backup help was effective. Several calls were made to me, and Rosemary Rubino, a new member, helped Glen Desthers at the back desk. Dave Hart is helping by learning the scoring table with Matt Muskovac.

As the club continues to grow, we will need additional backup for the competition nights, program nights and upcoming club activities.

As a club, we continue to show improvement in our images and those submitted for outside judging.

It's great being part of a dynamic group.
