President's Message

By Jim Goins

Well, we are into the second half of our club year and we should all be proud of the first half results. The enthusiasm of club members has been great. The Evaluation Night at the Hospice-Tampa Road seems to be working out much better.

As a club, we have scored well in the Florida Camera Club Council competitions; participated in several Presidents' Shoots; and judged the Tonbridge Circuit images.

Our Program Nights have been informative and well attended, the Web site is always current, and most of our visitors have become members.

Our PSA members that have entered the various exhibitions have scored well.

I'm still trying to finalize the date for the July Presidents' Shoot. I'll keep you advised.

Let's make the second half as good as the first half.

Club Historian plans member photos slide show

I am planning to put together a ProShow Gold slide show, to be presented at the November 4th Program Night. It will be entitled "Around the World With SCC Members." I am asking those interested to e-mail me (mary@gburke.com) four travel-related photos that I can place into the slide show. In addition, I would like also participants to give me one of the photos in printed form (4" x 6") for me to place in the historian album. Either bring the print to a meeting or mail it to me. My address is in the Yearbook.

I would appreciate it if some of the photos included people as well as scenery. Deadline is October 14th. The show will include travels within the U.S.A. and outside of the U.S.A. Sounds like fun, so let's all participate!
