### President's Message

By Jim Goins

We are back to our two meetings a month. The program nights for the rest of 2008 are set and look like some outstanding programs.

There have been several names submitted to the nominating committee for consideration. Remember, all offices are open for nomination. If you nominate someone, please make sure that the member has given approval for their name to be submitted.

Those nominated will be announced at the September meeting and the election will be held on the first meeting in October.

If you have not submitted your images from the Armed Forces Military Museum shoot or the Honeymoon Island shoot, please forward them to Roy Colbert.

Roy Colbert will continue in the interim to maintain the club website, but if anyone is interested in assisting Roy and perhaps later becoming the webmaster, please contact either myself or Roy.

### Tarpon Springs Photo Exhibit

Leepa-Rattner Museum of Art, Tarpon Springs  
Through Oct. 19, 2008

#### *Mel Finkelstein: Playing a Hunch*

This exhibition is a 40-year retrospective of photojournalist Mel Finkelstein (1932-1992). During his career, Finkelstein spent more than 20 years with the *New York Daily News* and later as photo editor for the *New York Post*. He often would freelance his images of celebrities, politicians and people of public interest to magazines such as *Life* and *Time*, and other various publications. His historical photographs, including a Pulitzer Prize-nominated photograph of China joining the United Nations, acknowledge notable events. Museum address and more info can be found at <http://www.spcollege.edu/central/museum>

When picking up your prints following the evening's evaluations and critiques, please use care regarding other members' prints. The print surfaces are delicate and can be scratched, marred or bent easily, rendering them unusable for future use.
