### President's Message

By Tim Strong

Our End of Year meeting of January 20<sup>th</sup> had great attendance, and truly had the year's finest photos in competition! Congratulations to all winning members in all categories and classes!

A special thank you goes to Dawn Nichols, former SCC V. P. of Competition, who arrived early at the meeting, spent every moment setting up for the competition, assisted at the Back Table, and made difficult and critical rulings during the competition. Dawn, I know that I speak for all members in saying how very much you are appreciated at SCC!

In February, we all can look forward to a busy month, with Jim Ickes' Program Night on February 3<sup>rd</sup>, Evaluation Night on February 17<sup>th</sup>, and then the Awards Banquet on February 28<sup>th</sup> at Our Lady of Lourdes Catholic Church in Dunedin. I hope everyone has contacted Jeff Gentry to reserve dinner reservations for this gala event. If there are any members who will like to attend, please arrange your payment soon with Jeff, since I believe that February 14<sup>th</sup> is the last day that payment can be accepted.

One last note – next month's President's Shoot is at the Arcadia All-Florida Championship Rodeo on Sunday, March 15<sup>th</sup>. I'm really excited because this will be the first rodeo I've ever attended! I hope all members also plan to attend. The travel arrangement for this shoot is via carpool. If you would like to volunteer to drive, please contact Kurt. I know we all will have a great time, and action shots are guaranteed! Kurt will purchase the tickets at the end of January, and if after this date you decide you'd still like to attend, please contact Kurt. I'm sure that he will try to get you tickets as close to the SCC group as he can. For details regarding this shoot, please refer to the SCC web site.

So, be sure to polish up your lenses, charge your batteries and bring plenty of memory, because I'm sure there will be lots of action, and lots of clicking.

See you on Program Night!

When picking up your prints following the evening's evaluations and critiques, please use care regarding other members' prints. The print surfaces are delicate and can be scratched, marred or bent easily, rendering them unusable for future use.

### INTERESTED IN PHOTOGRAPHY?
