### President's Message

By Jeff Gentry

Thanks to Jim Mahoney for chairing our recent May Evaluation Meeting while Joyce and I enjoyed a holiday in Venice and Greece. Additional thanks to George Burke for his coordinating the new F3C online submission process and to Jim Lucadam for regularly updating our Club's Web site to include the many changes that frequently occur.

The key to our club's success is that our members are willing to participate as required to insure the continued growth of our Club. For example, recently I received many e-mails, phone calls and in-person comments from our membership regarding an Executive Board question concerning retaining Mono Prints as a separate category. I greatly appreciate our members taking an active role in sharing their views on this or any subject concerning our club. Your views on the Mono Print category issue will be reported at the next Executive Board meeting.

Another issue your Board will be discussing this summer is the drafting of a brief Mission Statement to reflect the goals of our club. Please feel free to e-mail or call me with your ideas for this Mission Statement. Again, thanks to all of you for your active participation in our Club — you are the Suncoast Camera Club of Clearwater!

### Another member photo gets on billboard

One of Jim Goins' sports photos of a Dunedin Blue Jay baseball player is on a billboard on S.R. 580 in Dunedin (see photo at left). The billboard is on the north side of S.R. 580 between Belcher Rd. and U.S. Hwy. 19. Be sure to check it out next time you're up that way. Congrats, Jim!
