President's Message

By Jeff Gentry

The Sept. 20 Evaluation Meeting was most enjoyable and showcased many excellent photographs by our members. Our thanks to Roy Colbert, who had the EI results posted on our Club's web site within a few hours! The top scoring photos from that evaluation will be the candidates for our club's submission to the PSA Inter-Club Competition. We appreciate Jim Mahoney's efforts in leading this project so that our members' EI work is shared within the PSA. I know that our club will be well-represented in these ongoing competitions.

The key to the Suncoast Camera Club's over 50 years of successful support of photographic art — from Kodachrome slides to HDR digital images — has been the active participation by our members in the development and growth of our club. Many of you are willing to help with this work. For example, Matt Muskovac's development of our image scoring software and his efforts in maintaining the records of our evaluations are essential. Likewise, Dave Hart's efforts as former Secretary and current editor of this newsletter are worthy of recognition. At our Oct. 11 Board Meeting, Karen Hallett, Chair of our 2012 Nominating Committee, together with Committee Member Tom Russell, will be presenting their recommendations for our club's 2012 slate of officers and standing committee chairpersons.

My personal thanks to Karen, Tom and those of you who have expressed interest in serving our club in 2012.

SCC Member receives honor at PSA

Long-time member Nick Muskovac was named a Fellow of the Photographic Society of America on Sept. 24 at the PSA Conference in Colorado Springs. He is shown here receiving his certificate from Fred Greene, PSA President. Last month, we ran a story on Nick's being awarded a Master Distinction (MPSA) in recognition of his photographic achievement record in PSA-recognized International Exhibitions of photography.

Congratulations once again to Nick!
