President's Message

By Jo-Ann Devine

This is the time of year when many of our winter visitors leave Florida and return to their homes up North. We have quite a few members that join us for the winter season and share with us their photography skills. Over the years many of us have formed close friendships with these members. I just want to tell all our members that will be heading north to have a safe trip back. Keep us informed of any photo achievements or awards you receive. We will be looking for your electronic images over the months you are not in Florida.

I'd like to take say a few words about one of our members, Frank Crommelin. We look forward to seeing his images every month. He has inspired many of us. Frank doesn't mind sharing how he produced some of his outstanding images.

Frank is a member of PSA (Photographic Society of America). He has achieved a PPSA recognition of "Proficiency" (288 or more acceptances supported by Star Rating certificates from one or more PSA Divisions).

One of Frank's images will be on the cover of the May PSA Journal. Frank has written an article, "A Day at the Zoo" that will be featured in the May issue of PSA Journal. Many congrats go out to Frank.

I know many of you enter competitions throughout the year. So again, keep us informed.

I will be leaving for the Northwest early May for about three months. So keep up the great work during the summer and I'll see you all in August.

Scroll down to the Special Interest Section. There you will find stories on these topics, plus more:

- Photoshop CS6 Highlights. It's out for release.
- Nikon USA sent a note to local indy repair shops that it will no longer supply parts to them.
- You may want to disable GPS coordinates on your camera or smartphone, especially if you have kids.
