Brad and Brian Ashbrook,

My name is Tim Strong. I am the current president of The Suncoast Camera Club of Clearwater (SCC).

I am very sorry to hear that Stan has passed away. Stan was a long standing member of SCC, and held the office of President for three years during 1981, 1991 and 1992. In the subsequent years, Stan unselfishly shared his photography skills and knowledge with all SCC members, by performing countless educational presentations on post-processing software technique.

On behalf of all SCC members, I can tell you that he will be greatly missed.

Traditionally at SCC, we send a donation to a worthy cause as a tribute to past presidents, and members who have contributed significantly to our club. Since our meetings are held at The Suncoast Hospice in Clearwater, I wanted you to know that SCC has sent a donation in Stan's memory to The Suncoast Hospice Foundation.

In addition, you will receive a commemorative certificate in honor of Stan.

Respectfully,

Tim Strong  
President, Suncoast Camera Club
